Sustain World Can't Wait, until together we stop the crimes of this government.

BE A PART of reaching the goal of 50 more sustainers, collectively giving \$1,000 per month to continue the mission and expand the reach of World Can't Wait. This movement is needed NOW more than ever. The U.S. government is now engaged in four brutal wars of aggression (Iraq, Afghanistan, Libya and Yemen) and is militarily engaged — using drones — in Pakistan and elsewhere.

AS WE STATED in the Crimes are Crimes statement, "in some ways Obama is worse than Bush." We can see this playing out, not only in the expansion of wars, but in torture policy, repression, and spying. **Abortion and birth control** are increasingly inaccessible. It is in this political landscape, that we are launching an important intervention.

THIS FALL will mark the 10th anniversary of 9/11 and the invasion of Afghanistan. While war criminals are on tour bragging about the brutality they have committed, we will be out there resisting these horrors saying, "not in our name."

YOU ARE NEEDED to join in fulfilling the mission to organize people living in the United States to **repudiate and stop the fascist direction** initiated by the Bush Regime, including: the murderous, unjust and illegitimate occupations of Iraq and Afghanistan; the global "war of terror" of torture, rendition and spying; and the culture of bigotry, intolerance and greed.

ALL OUR ACTIONS are made possible through donations and volunteers. Our all-volunteer national office in New York City is the lifeline for those who want to act. It provides exposure and ways to act through the production of 4 websites, e-lists and other resources, and it provides a structure for organizers across the country by developing materials and coordinating actions.

NO MATTER who you are or where you are. No matter if you can give \$2 a month or \$1,000 a month, you are needed. These crimes can be stopped but only with your involvement. Together, we can make some REAL change.
