

The Democrats have a plan for “strategic redeployment” in Iraq:

**More aerial bombings
(meaning more
civilian deaths) . . .**

**...and permanent military bases in
the Middle East.**

And for “strategic redeployment” at home:

**Take
your
outrage...**

...and funnel it into candidates who support the war.

There is not going to be some savior from the Democratic Party. This whole idea of putting our hopes and energies into "leaders" who tell us to seek common ground with fascists and religious fanatics is proving every day to be a disaster, and actually serves to demobilize people.

But silence and paralysis are NOT acceptable. That which you will not resist and mobilize to stop, you will learn — or be forced — to accept. There is no escaping it: the whole disastrous course of this Bush regime must be STOPPED. And we must take the responsibility to do it.

**THE WORLD CAN'T WAIT
➔ DRIVE OUT
THE BUSH REGIME!**
