"OCCUPY MILITARY RECRUITERS"!
WEDNESDAY, FEBRUARY 15 at 11:30 AM**

***Let's debate the military recruiters at BMCC!
No recruiting centers within 10 blocks of schools!***

Did you know there are four military recruitment centers *within two blocks* of **BMCC** and **Stuyvesant High School**?

Army Recruiting Center – 143 Chambers St.
Navy Recruiting Station – 116 Chambers St.
Marines Recruiting Center – 165 Chambers St.
Air Force Recruitment Center – 157 Chambers St.

These recruitment centers have been placed there in order to prey on the thousands of students and young people that pass them every day.

Stop the Recruiters, Stop the Wars!

RALLY at BMCC, 199 Chambers St., at **11:30 am Wednesday, February 15th**, then march to the Marines and Army recruitment centers on Chambers St. and occupy them!

After visiting the recruitment centers we will march back to BMCC and hold a speak out demanding **HANDS OFF OUR YOUTH!**

This action is sponsored by **Occupy Wall Street, We Are Not Your Soldiers!, World Can't Wait, CodePink, Veterans for Peace Chapter 34, NY War Resisters League, Grandmothers Against War and Washington Heights Counter Recruitment.**

WeAreNotYourSoldiers.org campaigns nationally to bring military veterans into the classroom to share with students their on-the-ground experiences in occupying countries where civilians pay the price. Students are encouraged to become part of building a movement of resistance to stop the recruiters and stop the wars.
